Dalton Nolan Van Memorial Scholarship

Dalton Van, recipient of the 2019 Miller® Weld-Mask™ Scholarship, passed away unexpectedly on June 13, 2020. Dalton was a talented welder with a passion for the trade. He attended Utah State University Eastern and Uintah Basin Technical College (UBTech). He earned the gold medal at the Utah SkillsUSA competition two years in a row and took silver while representing Uintah Basin Technical College (UBTech) at Nationals.

To honor Dalton, his hard work, and his dedication to the welding trade, Miller Electric and the American Welding Society (AWS) will award a $1,000 scholarship each year for five years to students at Uintah Basin Technical College (UBTech) to support their welding education, carrying Dalton's legacy forward in the future of welding.

Apply by visiting https://www.aws.org/foundation/page/section-named-and-district-named-scholarships
Located Under District 20

Applicant must:
- Be a minimum of eighteen years of age or turning eighteen during incoming school year
- Have a minimum high school diploma, or provide proof of graduation eligibility
- Have a 2.5 overall grade point average
- Provide a letter of reference indicating how they will use their welding education
- Be enrolled full-time or accepted to be enrolled in a UBTech Welding Program
- Submit all required application information
- Attend a minimum of a 900 HR Certificate Program course of study that will result in a 900 HR UBTech Program Certificate.

Additional eligibility requirements:
Applicant does not need to be a member of the American Welding Society. If a scholarship is awarded, the student will get a 1-year student membership to American Welding Society.
Proof of financial need is not required to qualify. The AWS Foundation does not discriminate by age, race, color, national origin, disability, creed, or gender.

Selection
The Selection Committee (comprised of Section members as determined by the Section) will select the award recipient.

Awards
Each year one student will be awarded a $1,000 scholarship. Resulting in five students awarded. Funds totaling $5,000.

No awards will be paid to the recipient. All awards are for tuition and fees only, and will be paid directly to the academic institution by the AWS Foundation.
